General Information

TIME—TUESDAY, OCTOBER 24, 1961, 12:30 P. M.

LOCATION—Sale will be held at the Guernsey Sales Barn on Route 30 - 6 miles East of Lancaster, Pa. If driving from West on Penna. Turnpike, leave at (20) Lebanon-Lancaster Interchange #72 - 13 miles to #230. Follow sign to Philadelphia drive under Route #230 and turn right by-passing Lancaster to #30, and just 2 miles East to Guernsey Sales Barn. If arriving from East on Penna. Turnpike, leave at (23) Downingtown Route 100 to Exton and West (right) on #30 - 30 miles to Guernsey Sales Barn.

SALE HEADQUARTERS will be "The Willows", R. D. 4, Box 620 Lancaster, Pa. **MAKE YOUR RESERVATIONS EARLY.** There are many other motels near-by.

TERMS—Terms are cash. Settlements are to be made with the clerk of the sale immediately at the conclusion of the sale. All animals are at Buyers risk as soon as bid off but will not be released until settled for.

HEALTH—All animals will meet the Pennsylvania health regulations and a health certificate will accompany each lot sold. Most heifers have been vaccinated for Bangs.

GUARANTEE—All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Association. The above guarantee and terms shall constitute a contract between the consignor and buyer of each lot. Neither the sale manager, clerk of sale, auctioneer, nor the Pennsylvania Shorthorn Association nor any officers or directors of the same assumes any liability, legal or otherwise.

REGISTRATION—A certificate of registration and signed transfer will be furnished with each lot sold.

LIABILITY—Although every precaution will be exercised to protect the safety and comfort of the guests of this sale, neither this Association, its auctioneers, clerks, consignors nor sale manager can assume any liability.

MAIL BIDS—To any member of the sale committee or to any officer or director of the Association. All can be contacted at Lancaster Sales Barn - EXpress 4-2721.

The sale will open with the selling of about 60 rugged Shorthorn Calves—most will make excellent Club Calf prospects. These calves and all breeding cattle can be inspected all day Monday and Monday evening, October 23rd and Tuesday morning before sale time. In the last ten years some exceptionally good bulls have been used in Pennsylvania and you will find evidence of this in the cattle selling. Pennsylvania is well suited to produce top beef—we have excellent grass—plenty of water and the good climate necessary to do a good job. The cattle selling Tuesday were produced by cattlemen who know how to care for animals to protect their health and breeding qualities. You can travel the country side but you'll not find sounder, better-doing cattle than you'll find at this sale.

All registration numbers preceded by an X means the animal is polled. Buyers of either polled or horned have a choice and can select according to their personal preferences.

There are excellent bulls selling, and some that would make outstanding crossing bulls. Bulls that will put thickness and substance in their calves if used on cows of other beef breeds as well as Shorthorns. Don't miss the opportunity to improve your herd now by adding some prepotent blood—add some females and put in a better bull — get thickness and easy fleshing—growth and easy handling — add some of these money makers now.

A WORD ABOUT THE CATTLE SELLING IN THIS SALE

William Watson is now attending college and must disperse his small but quality herd. He had Grand Champion female and Reserve Champion bull at the 1959 Maryland State Fair. This herd started as a 4-H club project and this young breeder has done an exceptional job. Here is a chance to buy cattle that would never have been offered for sale if this young man didn't wish to get a higher education.

A. P. Bucks and Sons are selling thrifty cattle, good sound producing cattle, with most of them carrying the service of W. F. Royal Prince. This bull was Junior and Reserve Grand Champion at the 1959 Pennsylvania Farm Show, and was Senior champion there in 1960. He weighs 1950 in breeding condition and is siring some exceptionally good rugged calves.

H. B. Endslow's consignment always speaks for itself. They will have a quality consignment by Almahurst Bean Buster, a bull who is certainly recognized as the best son of the famous Beaufort Bulldozer.

Pennsylvania State University, who consigned the two top selling females at last year's sale, will consign two more this year by Edellyn Clipper Knight, whose calves show great promise.

F. W. Smalstig is selling four very sound brood cows, all who will leave replacement daughters in the Smalstig herd, and all selling safe in calf to Timberlee's Consort X. The calves dropped by these cows will be half brothers or sisters to last year's International Grand Champion Polled Shorthorn Female. Timberlee's Consort X also sired the Senior Champion bull at the 1961 Ohio State Fair, as well as both 1961 Maryland State Fair champions.

Rancho Bastante, owned by Mr. and Mrs. C. L. Holbert, is making its initial consignment to a state sale, and the bull they are offering is a top polled herd-sire prospect. Deep, thick—he is put together about right.

Raymond Brackbill is sending two herd sire prospects sired by J. D. Sporting Duchman 3d, Pa. Farm Show Reserve Champion in 1958, the Risser bull that has sired truly exceptional calves for the Brackbills.

Tuscarora Farms is sending a herd sire prospect sired by Hi Ho Gambler 1st that should work improvement in any herd.

The club calves are always exceptional, and by far, this will be the finest consignment offered in any state sale. It should command the attention of every person interested in getting a calf that will give him an honest chance to win at the big shows. Be sure to come early and pick out the top calves. Lunch will be served before the sale. By coming early you will be able to inspect the breeding cattle, the steer calves, and visit and get to know the breeders.

Shorthorns

SURE THEY'RE POPULAR — HERE'S WHY —

- a. Faster gains with less feed.
- b. High quality finished beef — economically produced.
- c. Better weaning weights — better sale weights — because they are better mothers.
- d. More profit for producer — feeder — packer.
- e. Proving themselves since 1817 — getting better every year.

THERE ARE MORE SHORTHORNS ON THE FACE OF
THE EARTH THAN ANY OTHER BEEF BREED

Polled Shorthorns

- a. Developed in the United States.
- b. Pure Shorthorns — without the horns.
- c. Proving themselves for more than sixty years.

Standard Guarantee

Endorsed by

AMERICAN SHORTHORN BREEDERS' ASSOCIATION

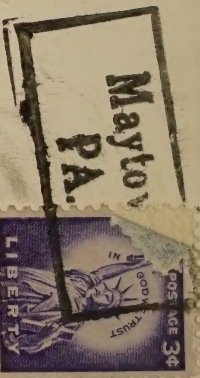

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or not allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to the seller.
4. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
5. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as the service date.
6. Shipment will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
